Fellas,

Further to the traffic authorities below is an excerpt of the Defence of Critical Infrastructure Act.

Definitions 1(1) In this Act, (a) "essential infrastructure" means any of the following: (i) a controlled area, installation, manufacturing plant, marketing plant, pipeline, processing plant, refinery, road or road allowance as defined in the Pipeline Act; (ii) a heavy oil site, mine, oil production site, oil sands site, pit, private utility, privately owned development, quarry, storm drainage system, telecommunication line, transmission line, waste management facility, wastewater system, watercourse or waterworks system as defined in the Environmental Protection and Enhancement Act; (iii) a provincial highway, transportation facility, transportation system or urban rail transit system as defined in the Highways Development and Protection Act; (iv) a railway, structural facility or track as defined in the Railway (Alberta) Act; 2020 Section 2 Chapter C-32.7 2 CRITICAL INFRASTRUCTURE DEFENCE ACT (v) a hydro development or power plant as defined in the Hydro and Electric Energy Act; (vi) an agricultural operation as defined in the Agricultural Operation Practices Act; (vii) a highway as defined in the Traffic Safety Act; (viii) a facility as defined in the Oil and Gas Conservation Act; (ix) a public utility as defined in the Public Utilities Act; (x) an electric utility as defined in the Electric Utilities Act; (xi) a gas utility as defined in the Gas Utilities Act; (xii) a coal processing plant as defined in the Coal Conservation Act; (xiii) an oil sands processing plant as defined in section 2(2)(pp) of the Activities Designation Regulation (AR 276/2003); (xiv) a radio apparatus as defined in the Radiocommunication Act (Canada), including its antenna systems; (xv) a dam as defined in the Water (Ministerial) Regulation (AR 205/98); (xvi) a building, structure, device or other thing prescribed by the regulations; (b) "owner" means the owner of essential infrastructure and includes the following: (i) the occupier of the essential infrastructure; (ii) the person who is in possession or control of the essential infrastructure. (2) The land on which essential infrastructure is located, and any land used in connection with the essential infrastructure, is deemed to be part of the essential infrastructure. Prohibitions 2(1) No person shall, without lawful right, justification or excuse, wilfully enter on any essential infrastructure. 2020 Section 3 Chapter C-32.7 3 CRITICAL INFRASTRUCTURE DEFENCE ACT (2) No person shall, without lawful right, justification or excuse, wilfully damage or destroy any essential infrastructure. (3) No person shall, without lawful right, justification or excuse, wilfully obstruct, interrupt or interfere with the construction, maintenance, use or operation of any essential infrastructure in a manner that renders the essential infrastructure dangerous, useless, inoperative or ineffective. (4) No person shall aid, counsel or direct another person to commit an offence under subsection (1), (2) or (3), whether or not the other person actually commits the offence. (5) A person who enters on any essential infrastructure, having obtained by false pretences permission to enter on the essential infrastructure from the owner or an authorized representative of the owner, is deemed to have contravened subsection (1) unless the person had a lawful right, justification or excuse to enter on the essential infrastructure.
